Chief William Baldwin

Re: 71 Whitewoods Rd.

Officers Dan Stevens and Dave Curtin

Chief,

On January 24, 2021 at approximately 1900 hours, we had a 64 year old male patient at the above address who was experiencing a state of altered mental status . We requested an ambulance to the scene and upon arrival the patient was somewhat combative and agitated. EMS personnel on scene called for your officers to assist in getting the patient to transport to CHH for further evaluation. Upon arrival the officers were both professional and courteous to the patient who still was in an altered state and refusing to go. They had a tremendous amount of patience trying to convince patient to go in which they ultimately prevailed without having to forcibly get the patient on the stretcher. They turned what could have been an ugly situation into one that was resolved with the patient being transported to CHH. The patient was in liver failure and had nearly five times the ammonia levels of normal which accounted for his altered state. The family and myself would like to express our thanks for the time and energy that these officers took to make a bad situation end with a good outcome. Having been in EMS for 35 years I know how often these situations can go downhill and sideways but these two officers took the time and had the patience to resolve the issues without resorting to force. Kudos to them both!!

Sincerely,

Michael Castelli
