June 14, 2019

## PRESS RELEASE HIGHLAND AVENUE RECONSTRUCTION

The City of Torrington will be performing road reconstruction work on Highland Avenue from late June to October 2019.

The proposed improvements will include road reclamation and paving of roadway, curbing, sidewalks, and driveways.

The public is to expect daily traffic delays due to one-way alternating traffic and daily road closures allowing local traffic only. Pass through traffic is advised to avoid Highland Avenue and use alternate routes.

Please do not park any vehicles on these roads during construction. Vehicles in the way of construction will be towed at the owner's expense.

For more information, contact the City of Torrington Engineering Department at 860-489-2234 or visit the Engineering Department website link for [Construction Projects 2019](#).
