

APPLICATION TO THE ASSESSOR FOR CLASSIFICATION OF LAND AS FARM LAND

Declaration of policy: it is hereby declared that it is in the public interest to encourage the preservation of farm land, forest land and open space land in order to maintain a readily available source of food and farm products close to the metropolitan areas of the state, to conserve the state's natural resources and to provide for the welfare and happiness of the inhabitants of the state [and] that it is in the public interest to prevent the forced conversion of farm land, forest land and open space land to more intensive uses as the result of economic pressures caused by the assessment thereof for the purposes of property taxation at values incompatible with their preservation as such farm land, forest land and open space land.

APPLICANT FILING INFORMATION: APPLICATION TO THE ASSESSOR FOR CLASSIFICATION OF LAND AS FARM LAND

The term "farm land" means any tract or tracts of land, including woodland and wasteland, constituting a farm unit.

In determining whether land is farm land, the assessor shall take into account, among other things, the acreage of such land, the portion thereof in actual use for farming or agricultural operations, the productivity of such land, the gross income derived therefrom, the nature and value of the equipment used in connection therewith, and the extent to which the tracts comprising such land are contiguous.

An application for farm land classification must be filed on this form, as prescribed by the Commissioner of the Department of Agriculture, pursuant to §12-107c (b) of the Connecticut General Statutes.

The property owner (or owners) must complete this form and file it with the assessor of the town where the farm land is situated. If there is more than one owner, each must sign the application. The filing period is between September 1st and October 31st, except in a year in which a revaluation of all real property is effective, in which case the filing deadline is December 30th.

Failure to file in the proper manner and form is considered a waiver of the classification under §12-107c(c) of the Connecticut General Statutes.

A separate application must be filed for each parcel of land.

You are responsible for contacting the assessor to update your application if there is a change in use, acreage or ownership of this property after the assessor approves its classification.

If there is a change of use or a sale of the classified land, the classification ceases (pursuant to §12-504h of the Connecticut General Statutes) and you may be liable for an additional conveyance tax.

Please review the attached copies of the statutes concerning the imposition of this tax (§12-504a through §12-504e, inclusive, of the Connecticut General Statutes).

Please be advised that the assessor may require information in addition to that contained in this application in order to make a determination regarding classification.

INSTRUCTIONS FOR THE ASSESSOR:
