

TORRINGTON BOARD OF EDUCATION

2024 – 2025 BUDGET

SOME OF OUR TORRINGTON FAMILY

OUR STORY BEHIND THE NUMBERS

Every Budget has a story to tell. Ours is one that is and always will be centered around our students. Here in Torrington, we take the budget process very seriously. All of our Administrators and Teachers are fully aware of the impact that our budget has on the town finances and taxpayers. We are fortunate to have such dedicated people who do not ask for more than what is needed, while still providing the best possible learning environment for all of our students. Our building Administrators work very hard in order to only advocate for the items that are essential to the learning process. Their budget recommendation request is reviewed and discussed by the team at Central Office, along with a rationale as to why things are either needed or can be removed. As a team, we then work on the budget in order to present it to the Board of Education for their review, comments and adoption. This presented budget directly aligns with our District's Vision and Mission which are as follows:

Vision Statement

The Torrington Public Schools is to be recognized as a high achieving, future-oriented learning community dedicated to embracing all people as individuals who contribute purposefully to our diverse and dynamic society.

Mission of the Torrington Public Schools

The mission of the Torrington Public Schools is to graduate all students with the knowledge, skills, ethics, attitude and confidence to succeed in their future.

This year, we are advocating for a 2024 -2025 budget of **\$82,620,014** which represents an overall dollar increase of **\$3,897,316 (4.95%)** over our 2023 - 2024 approved budget. There are several factors that drive the+ increase, including contractual increases in salaries and benefits for all of our employees and special education services and transportation. Being able to address these increases and still present a budget that is under a 5.00% increase exhibits thoughtful fiscal responsibility for the town while still providing for the needs of our students.

In terms of new initiatives, we will continue to implement our new Reading program with fidelity. As a point of reference, the state of Connecticut mandated that all school districts implement the Science of Reading program and we here in Torrington were able to start this program in the 2023-2024 school year and were one of the few districts to receive state approval. This new program will help our students to become stronger readers.

In terms of staffing, we are basically remaining the same with the following exceptions: one new ELL teacher to be shared between Forbes and Southwest as well as two additional ELL Paraprofessionals (1 at Forbes and 1 at Southwest). These positions are needed to address our growing ELL population. We will be adding a LEAD Student Services Supervisor and eliminating one Outplacement Coordinator across the district (this is budget neutral since the new LEAD

Supervisor will be one of our existing supervisors and will just be moved to a twelve-month position).

After the Board of Education approves my Team's recommended budget, it then becomes the Board of Education's budget, which has to be presented to the Board of Finance in order for them to approve it. We look forward to assisting in the budget approval process over the next several months and will continue our efforts to provide useful and informative data and analyses to assist in this process.

SECTION 1
2024 – 2025
BUDGET
MANAGEMENT
SUMMARY

Torrington Board of Education Management Summary

2024-25 Budget

This summary is being provided as an overview to assist in understanding the nature of various cost categories within the Board of Education budget. A brief overview of the major changes between the proposed 2024-25 budget as compared to the 2023-24 budget follows:

General: The overall proposed budget increase is **\$3,897,316(4.95%)** over our 2023 - 2024 approved budget.

A/C 5111 Certified Staff: 2023-2024	\$30,095,044
2024 - 25 budget	\$31,027,771
2024-25 proposed budget Increase	\$932,727 3.10%

Why the increase? The budget line increase provides funding for the contracted salary rates included in all union and non-union contracts. The union and non-union personnel will receive salary increases in the 3- 4% range. In addition to the contractual requirements, there are several reductions and reallocation of resources proposed in the 2024-25 budget as follows:

Retirements as of January 2024:

- 1 Student Services Outplacement Coordinator
- 6 Teachers at High School
- 4 Vogel Wetmore
- 1 Forbes

New Positions:

- 1 FTE - to be utilized at Forbes and Southwest for our increasing ELL population
- 2 ELL Paras (1 at Southwest and 1 at Forbes) to address our increasing ELL population
- 1 Lead Student Services Supervisor Position across the district

A/C 5112 Non-Certified Staff: 2023 - 2024	\$8,868,307
2024 - 25 budget	\$9,598,059
2024-25 proposed budget Increase	\$729,752 8.23%

Why the increase? The proposed budget increase provides funding for contracted salary rates included in all union and non-union personal services contracts. The union and non-union personnel will receive salary increases in the 3% range.

A/C 5200 Employee Benefits: 2023 - 2024	\$16,318,247
2024 -25 budget	\$17,621,897
2024-25 proposed budget Increase	\$1,303,620 7.99%

Why the increase? Health Insurance has increased significantly per recent meeting with City and Joe Spurgeon. HSA increased 158k or 27.63% due to BOE offering new employees only the HSA option.

A/C 5340 Professional Services: 2023 - 2024	\$2,055,759
2024 -25 budget	\$2,041,233
2024-25 proposed budget Decrease	(\$14,526) (0.71%)

Why the decrease? The *overall* decrease reflects a lower expectation of substitute Teacher(s)/Para(s) in 2024-25 in the Special Education Department. This overall decrease is offset by an additional 25k being budgeted due to higher expected legal fees.

A/C 5400 Infrastructure: 2023 - 2024	\$1,388,060
2024 - 25 budget	\$1,606,832
2024-25 proposed budget Increase	\$218,772 15.76%

Why the increase? Please Note that we budgeted 250k for Moving Expenses to the new School Campus being constructed. These estimated costs were not in the Campus Construction budget. We also budgeted 150k for the Indoor Air Quality testing legislation.

A/C 5510 Transportation: 2023 - 2024	\$5,892,025
2024 - 25 budget	\$6,580,774
2024-25 proposed budget Increase	\$688,749 11.69%

Why the increase? The increase provides funding for contracted transportation (bus) services provided to regular and Special Education students. The Torrington Public Schools is required to provide transportation services to all. The projected increase provides for the same level of bus service at the contractual rates, along with projected out-of-district student placements. We have (3) years remaining on our School Bus Contract and this represents 184k or 4.88% increase. Special Education Busing is also seeing increases of 499k or 25% based on the number of expected students needing individualized bussing, as well as the recently passed legislation for the starting Kindergarten age. This means that more students will have to stay in Pre-K and therefore be bussed. Homeless Students bussing has also increased 50k or 67%. The projected increase provides for the same level of bus service at the contractual rates, along with projected out of district student placements.

A/C 5560 Tuition 2023 - 2024	\$10,831,684
2024 - 25 budget	\$10,391,200
2024-25 proposed budget Decrease	(\$440,844) (4.07%)

Why the decrease? These accounts represent outplaced students for regular and special needs programs and services. The special needs students are outplaced due to the requirements of their Individual Education Plan (IEP), which unique requirements cannot be addressed by programs or services provided by the Torrington Public Schools. The current budget projection for 2024-25 reflects 80 out placed students. The 2023-24 budget included 78 out placed students. In addition, certain regular education students attend schools offering specialized programs i.e. Vo-Ag, Magnet. We are required to pay tuition and some transportation costs for these students per state mandate.

A/C 5600 Supplies: 2023 - 2024	\$2,287,715
2024 - 25 budget	\$2,509,676
2024-25 proposed budget Increase	\$221,961 9.70%

Why the increase? These accounts represent costs associated with various supplies, utilities, and curricular materials. Most accounts are being held at a 0% increase for 2024-25. The increase we are seeing represents 76k for supplies and 60k for Yonder Pouches that are no longer covered by COVID Grants, 89k for the supplemental/supporting new Reading Program which we will see in upcoming budgets.

A/C 5740 Equipment: 2023 - 2024	\$75,835
2024 - 25 budget	\$68,020
2024-25 proposed budget Decrease	(\$7,815) (10.31%)

Why the decrease? We have decreased the 24-25 Budget this year by looking at every account in this group and historical spending and cut or reduced the 24-25 Budget accordingly.

GRANTS

2024-25 School Year		Budget
Alliance	82	\$6,004,595.55
2 %	7	\$481,688.78
IDEA 611 & 619	22	\$1,129,289.94
Title I	13	\$1,053,677
Title III	1	\$38,761
TOTAL	125	\$8,708,012.37

Please note: If we did not receive these grants, our total budget would be \$90,062,486, which would represent a 14.4% increase. These grants are all thoughtfully written and monitored and that is the reason that we are fortunate enough to receive these necessary funds to provide for our students. Without these funds, the burden on our taxpayers would be tremendous.
