RE: Purchase of Ammunition from State Contract #19PSX0220

The Torrington Police Department has requested to waive the City bid process and purchase their ammunition off State Contract #19PSX0220, Ammunition for FY 22/23. The ammunition will be used for department recertification at West Hartford, the Special Response Team monthly training, new recruits at the Police Academy and other department training.

It is my recommendation to waive the City bid process and purchase the ammunition from State Contract #19PSX0220 pending Board of Public Safety approval.

The estimated budgeted amount for these purchases is \$24,500.00.

Thank you for your consideration on this matter.

Re: State Bid Acceptance

The Torrington Police Department is requesting to waive the City bid process and accept the State Bid for ammunition for the fiscal year 22/23'. The ammunition will be used for department recertification at West Hartford, the Special Response Team monthly training, new recruits at the police academy, Annual Blue Line Trailer low light qualification, and other department trainings.

The State of Connecticut contract for ammunition (Contract #19PSX0220) is active until December 31, 2024. The department requests to make purchases with all vendors awarded the contract to better meet the needs of the department. Attached is the state contract and price lists for ammunition.

The estimated cost of a single purchase is \$24, 500. The purchase will meet the needs of the department for the 2022-2023 budget year. This will help reduce shipping costs and allows all ammunition to be drop shipped directly from the manufacturer.

Respectfully,

Lt. Thomas Rouleau #305
Training Division
