BUSINESS BY DEPARTMENT HEADS

On a motion by Commissioner McLeod, seconded by Commissioner Cogswell, the Board voted unanimously to consider business by Department Heads.

Chief Baldwin gave the following updates and announcements regarding recent Police Department activities:

- He reported on the success of Drug Take Back Day, which took place on April 24, 2021.
- He reported that all of the officers who reported positive COVID-19 tests returned to duty.
- He announced the retirement of Officer Pisarski and expressed his appreciation for Officer Pisarski's service to the City.
- He updated the Board on current staffing levels and the anticipated hiring of new police officers, explaining that 17 candidates were invited for interviews and five conditional offers of employment were awarded. He noted that the TPD still had eight vacancies, but he anticipates putting six new candidates in the upcoming Police Academy classes.

Chief Towey gave the following updates and announcements regarding recent Fire Department activities:

- He expressed his appreciation for the community's show of support on National Firefighters' Day, which took place on May 4, 2021.
- He thanked the Firefighters' Union (IAFF Local 1567) for their support with the Tim Driscoll St. Jude telethon fundraiser.
- He reported that the firefighters were healthy and the TFD was maintaining its full operational profile.
- He reported that the TFD would be supporting Friendly Hands with their walk-up food distribution event at the library parking lot on May 11, 2021.
- He informed the Board that the next meeting of the Fire Service Coordination Committee would take place at 6:30 p.m. on May 12, 2021 at the Emergency Operation Center.
- He reported on a possible delay with the radio equipment that the TFD expected to receive for an apparatus, due to a microchip COVID supply chain issue.

Trinity Health EMS Manager Jeff Ganung reported that the new fly cars were up and running and he expected them to be on the road by the weekend.

Commissioner Bingham expressed concern that multiple TPD candidates did not show up for interviews and he asked if the TPD promotes drug disposal opportunities throughout the year. Chief Baldwin explained that the national Drug Take Back event garners national attention and people from the community dispose of medications at the TPD's drop-off location year-round, which led him to believe that the people were well informed. Commissioner Bingham also asked Chief Towey if there was a contingency plan for the delayed radio equipment and Chief Towey explained that the TFD would utilize the equipment that was already in place until the new system arrives.

BUSINESS BY THE MAYOR AND MEMBERS OF THE BOARD OF PUBLIC SAFETY

On a motion by Commissioner McLeod, seconded by Commissioner Cogswell, the Board voted unanimously to consider business by the Mayor and members of the Board of Public Safety.

Commissioners Battle, Cogswell and McElroy thanked Officer Pisarski for his service to the City and congratulated him on his retirement. Commissioner Bingham also congratulated Officer Pisarski on his retirement and apologized for a lack of decorum at the meeting on April 7, 2021. Commissioner McLeod commended the professionalism of the Trinity Health EMTs who responded to an incident at his place of business.

Mayor Carbone updated the Board on plans for the 2021 Memorial Day Parade and she commended Officer Pisarski on his retirement and for his restoration of an antique police motorcycle, which sits on display at the Bad Dog Brewery. The Mayor also announced that the City would be entering into an agreement with ParkMobil, to provide electronic and contactless payment services for metered parking. Commissioner Bingham requested clarification regarding how the new technology would impact parking enforcement. Sgt. Baldis explained that the metered parking sections of the City would be split into small and manageable zones for the parking attendant to easily look up parked vehicles.

Discussion & Review: Public Safety Budgets

The Boards reviewed the amended public safety budgets for the fiscal period from July 1, 2021 to June 30, 2022, as they were presented by Chief Baldwin and Chief Towey.

Fire Department Budgets: Chief Towey described the changes that were made to his Level 1 proposed Fire Department, Volunteers and Emergency Management budgets. He explained that his initial requested budget increase of 17.13% over the current fiscal year was reduced to a 3% increase, primarily through staffing reductions, cutting back on education and specialized training, as well as other reductions to capital reserves, utilities, equipment, fuel, building maintenance, service agreements, physical exams, promotional testing and stipends for the volunteers.

Commissioner Battle requested clarification regarding the VFDs' stipends. Mayor Carbone explained that each Department would receive a stipend of \$20,000, for a total of \$40,000. Mayor Carbone also expressed optimism that some of the capital projects that were pushed off due to budget reductions could be eligible for funding through the American Rescue Plan. Commissioner Bingham questioned how fuel costs were budgeted. Mayor Carbone explained that contracts for fuel go out to bid and are awarded annually.

Police Department Budget: Chief Baldwin described the changes that were made to his Level 1 proposed Police Department budget. He reported that his initial requested budget increase of approximately 15% over the current fiscal year was reduced to a 7.56% increase and he explained that the increases were primarily the result of capital expenditures, contractual general wage increases and new mandates brought on by the Police Accountability Bill. Chief Baldwin explained that additional cuts brought his budget down to approximately 3% over the current fiscal year, including significant reductions to capital funding, flat lining much of the Police Department's expenses and eliminating positions, including Deputy Chief. He further explained that the

Deputy Chief position was reinstated upon the request of the Budget Subcommittee, which brought his total Police Department Budget up to a 3.72% increase over the current fiscal year. Chief Baldwin emphasized the impact that the new legislation had on his proposed budget and Councilor Waagner expressed concern about meeting the State's deadlines for implementing the Accountability Bill's required mandates.

Councilor Cavagnero requested clarification regarding the storage of dash cam and body cam footage. Captain Barown explained that the TPD began a ten-year contract for storage of body cam footage and Chief Baldwin indicated his preference to utilize the same company for the new dash cams that will need to be purchased. Commissioner McLeod expressed support for reinstating the Deputy Police Chief's position, but stated his concerns about a succession plan. Commissioner Bingham requested clarification regarding the impact of reductions to the Police Department's Capital Reserve funds. Chief Baldwin explained that the reductions would impact or delay software upgrades related to the Police Department's CAD/RMS system, the replacement of ballistic vests and the TPD's radio system, as well as building maintenance, repairs and upgrades. Commissioner Benedetto expressed concern about where the TPD planned to store its new crime van and Chief Baldwin explained that it would be stored indoors at the Burrville Fire School until the City comes up with a more permanent solution.

(Police) Traffic Control Budget: Chief Baldwin described the changes that were made to his Level 1 proposed Traffic Control budget. He explained that his initial requested budget increase of 16.6% over the current fiscal year was reduced to a 3.79% increase, as a result of reductions to capital reserve funds, repairs and equipment. Chief Baldwin also cautioned that the City would need to begin upgrading its traffic control signals. Commissioner Bingham requested clarification regarding the anticipated cost of the traffic signal replacement project and Captain Barown explained that they estimated a minimum of \$7,000 to \$11,000 per intersection.

Animal Control Budget: Chief Baldwin explained that he eliminated \$50,000 of Capital Reserve funds from his Level 1 proposed Animal Control budget. He noted the City's efforts to replace the existing Animal Control Facility and reported that his amended Animal Control budget reflected an increase of approximately \$47,000, or 15.3%, over the current fiscal year. Mayor Carbone also emphasized the need to replace the Animal Control Facility and provided an update on the City's attempts to gather additional funding for the project.

Approval of Budgets

On a motion by Commissioner Bingham, seconded by Commissioner Cogswell, the Board of Public Safety voted unanimously to approve and advance the proposed Police Department budget for the fiscal period from July 1, 2021 to June 30, 2022 to the City Council, as amended, for the total amount of \$9,663,771.

On a motion by Commissioner McLeod, seconded by Commissioner Bingham, the Board of Public Safety voted unanimously to approve and advance the proposed Animal Control budget for the fiscal period from July 1, 2021 to June 30, 2022 to the City Council, as amended, for the total amount of \$345,439.

On a motion by Commissioner Benedetto, seconded by Commissioner McLeod, the Board of Public Safety voted unanimously to approve and advance the proposed Traffic Control budget for the fiscal period from July 1, 2021 to June 30, 2022 to the City Council, as amended, for the total amount of \$408,000.

On a motion by Commissioner Cogswell, seconded by Commissioner Battle, the Board of Public Safety voted unanimously to approve and advance the proposed Fire Department budget for the fiscal period from July 1, 2021 to June 30, 2022 to the City Council, as amended, for the total amount of \$5,971,506.

On a motion by Commissioner Bingham, seconded by Commissioner McLeod, the Board of Public Safety voted unanimously to approve and advance the proposed Volunteer Fire Departments budget for the fiscal period from July 1, 2021 to June 30, 2022 to the City Council, as amended, for the total amount of \$65,000.

On a motion by Commissioner Cogswell, seconded by Commissioner McLeod, the Board of Public Safety voted unanimously to approve and advance the proposed Emergency Management budget for the fiscal period from July 1, 2021 to June 30, 2022 to the City Council, as amended, for the total amount of \$35,800.

Narrative

On June 17th 2021, the Torrington Police Department sponsored a Special Olympics Torch Run. This is a yearly event that brings the Special Olympics Torch to Hartford to signal the start of this special event.

Our part of this enormous undertaking is directed by Det. Gelormino, who works hard to raise Money all year for this organization. Det. Gelormino also rallied support from several other agencies such as the State Prosecutors Office, Adult Probation, and ICE.

This particular event would not have been successful without the assistance of officers who ran and who graciously donated their time to help. These officers were Sgt. Maiga, Sgt. Kelly, Off. Mumm, Off. Gallagher, Off. Stevens, Off. Yabrosky, Off. Simpson, Off. Belonick, Off. Fay and Lt. Rouleau. Several officers had their children run with the team helping bring the number of runners to over 25 in total.

These officers deserve much praise as these events and donations would not be possible without their selflessness and dedication. In these difficult times for police officers, they went above and beyond to keep our relationship with our community positive.

Officer Stevens, your efforts and accomplishments reflect distinct credit upon yourself, The Torrington Police, and the City Of Torrington.

Keep up the good work!!!!

Dear Chief Peter Towey,

The Winchester Land Trust (WLT) would like to thank you and your entire department for the excellent and immediate response and care during our WLT/Lakeridge hike May 16. It was a far greater adventure than any of us anticipated! We were so relieved to see your EMTs and Rescue personnel tramping along the trail!

The safe evacuation of one of our hikers was indeed impressive.

The WLT wished to thank you all so much for your energy and dedication.

Sincerely,

Louise

Louise Van Alstyne, Secretary

Thanks so much!

Honorable Mayor Elinor Carbone
Board of Public Safety Commissioners

May 2021 Report

In May we have had 8 Fires, 3 Drills, 6 Work details, and our Monthly Meeting. With a total of 146.17 hours for the month so far. The significant incident for us was a MVC in Goshen which was a car vs moose. One injury to a passenger in the car and the Moose was killed. We have one member that finished fire fighter 2 and passed the certification exam with a 92. We trained on ladders, VEIS, Pump Pressures, Search, and Hydrants.

Attached is the logbook for the incomplete month of May. April Log Has no changes from the last report.

On June 26th we are planning a Takeout Breakfast Sandwich Fundraiser going from 8am to Noon. We are trying to coordinate with the town wide tag sale.

If there are any questions, please do not hesitate to call or email.
