### Narrative

On August 17, 2023 the Torrington Police Department took part in the Special Olympics Tip-a-Cop event which supports the Connecticut Special Olympics Program. In partnership with Sasso's Coal Fired Pizza, officers assisted with serving patrons with the "tips" earned then being donated to the Special Olympics Program. This year, officers waited on patrons for almost 4 hours, garnering approximately \$1000 in support of the program.

The event, organized and led by Det. Gelormino would not have been as successful as it was without the assistance / participation of the following officers:

These officers were as follows;

Sgt. Dustin Baldis

Ofc. Brian Fox

Ofc. Caitlin Fay

Ofc. Jeffrey Buzzi

Ofc. Vincent Powell

These officers deserve to be recognized for taking the time to make an impact for a great cause. The dedication and selflessness does not go unnoticed by those within the police department, or those within the community. Thank you for all your efforts, and all that you continue to do!

### Narrative

On 02/15/23 at 15:45 hours, Torrington Police responded to the library parking lot located at 12 Daycoeton Place where it was reported a passenger of the bus just assaulted the bus driver. Upon Officers Powell, Stevens, and Yabrowski's arrival, they found the victim, bus driver Jerry Thompson lying on the ground with an apparent head injury. Officers Stevens, Powell, and Yabrowski were directed to the offender, Adolph Spring who was pacing in the parking lot nearby. Officer Stevens and Powell engaged Spring verbally, trying to get him to comply by placing his hands behind his back, which he refused. Officer Stevens then tasered Adolph after several warnings. Officers Stevens, Powell and Yabrowski were able to detain Spring in handcuffs. While Officer Stevens and Powell were securing Spring in a cruiser, Officer Yabrowski tended to the victim's injuries until EMS arrived on scene. Officer Gaudette arrived on scene and began obtaining a written statement from a key witness to the assault. Lt. Johnson of the Detective Division arrived on scene along with Sgt. Giordano and Investigator Guida to assist in evidence collection and overall authority of the scene. Lt. Johnson took photos of the scene, documented injuries to the victim, and evidence while Sgt. Giordano obtained another statement from a witness to the assault. Investigator Guida obtained the victim's statement and the bus video evidence. Officers Rubino and Loucks processed Spring and Officer Brennan placed Spring into protective custody after he made suicidal comments.

Adolph Spring was charged with the following: Assault 3<sup>rd</sup> of an Elderly Person, Criminal Mischief 2<sup>nd</sup>, Breach of Peace 2<sup>nd</sup>, and Interfering with an Officer and held on \$50,000 bond for Court.

Based on the excellent job of securing the scene, collection of the evidence, obtaining crucial written statements, Adolph Springs plead guilty to the above charges and was sentenced to 10 years imprisonment, execution suspended after 5 years imprisonment, and 5 years' probation.

Excellent Job by all involved, both Ms. Tanner and Ms. Gueniat thank you for your assistance during the investigation. The successful prosecution of this case is the result of all of us working together to help provide a safer community for the residents of Torrington.

### Narrative

On 11/22/23, Torrington Police responded to 2492 Tarringford St., for the report of a cardiac arrest, where the caller, identified as 24 year old, Ada Baujin was actively performing lifesaving measures on her 57 year old mother, Ann-Marie who was found unresponsive in her bed.

Upon the arrival of Officers, Buzzi, Rubino, Avallone, and Sgt. Faulkner, they determined Ann-Marie had passed away hours before and nothing could be done. Upon recognizing this, officers attended to Ada who was in obvious disbelief and distress, trying to comfort and assist her. Officers Avallone and Buzzi remained on scene for a few hours to ensure Ada understood the process and what was occurring.

On 11/23/23, Ada's father, George Baujin (P# 860-234-7970) arrived in the police department lobby and wanted to express his gratitude for the officers that responded to the scene. George explained that it was his ex-wife who had passed away the day before, adding that he was grateful for the professionalism and compassion that the officers showed to his daughter during the incident. George noted that one officer had even cleaned up dog defecation on a rug during the incident explaining that it was just another thing that he and his daughter would not have to do in the moment or after things began to settle down. George reiterated numerous times that he wanted to express his sincere appreciation for the actions of all the officers on scene.

In light of George's report, Ofc. Buzzi should be commended for his professional conduct, and compassion during this incident. It is a great reminder that the actions we take, have a direct impact on the people we come into contact with and can leave a long lasting impression.

Thank you Ofc. Buzzi for the great job, keep up the good work!

### Narrative

On 11/10/23 at approximately 01:53 hours, LCD reported that a caller on Laurel Hill Road reported their vehicle alarm was sounding and the rear window on the vehicle was smashed (C/N 23-39598). Officers began responding to the area when a second call was received at approximately 01:55 hours reporting that a 2020 color white Jeep Grand Cherokee was just stolen from the residence of 327 Hillside Avenue.

Officer Loucks observed a suspicious vehicle in the general area matching a suspect vehicle (silver/gray SUV). Officer Loucks initiated a traffic stop on Joseph Street of this vehicle, a 2021 color silver kia Sportage, furthermore later discovering that the Kia was a FILE 1 out of Wolcott, and used in a felony. At this time the operator of the Kia realized that Joseph Street was a dead end; leaving the vehicle in drive all of the occupants exited the vehicle and fled. The Kia then only stopped when it subsequently struck the guardrail. Officer Loucks observed the occupants flee around the rear of a residence, then deploying K9 Pharaoh. Moments later Officer Loucks and K9 Pharaoh in chase observed one suspect jump a fence towards the rear of the residence, additionally a second suspect was actively attempting to climb over the fence. Officer Loucks without hesitation grabbed the suspect, and K9 Pharaoh bit the left lower leg of the suspect. Sergeant Connolly who was then arriving, promptly detained the suspect (Juvenile) without further incident. After making further announcements of Police presence, and a Police k9, the first suspect (Juvenile) who later reported that they were fearful of being bitten, had emerged from hiding, then detained without further incident. With immediate response, the entire shift had flooded the area to set up a search perimeter, all by the direction of Sergeant Connolly.

Officer Toldeo and Officer Morrell both transported the two Juveniles to headquarters to wait for their parents to arrive from Waterbury.

The FILE 1 Kia was located/secured and towed to headquarters to further assist Wolcott PD with their investigation.

A short time later calls were received by LCD that a young male, dressed in dark clothing was observed to be walking south on Route 8 (southbound lanes) by exit 43. Units responded to that area and located the male, being the third suspect (Juvenile), he was then placed in to custody and transported to headquarters by Officer Dos Santos.

Officer Loucks without hesitation grabbed the suspect, and K9 Pharaoh bit the left lower leg of the suspect. Sergeant Connolly who was then arriving, promptly detained the suspect (Juvenile) without further incident. After making further announcements of Police presence, and a Police k9, the first suspect (Juvenile) who later reported that they were fearful of being bitten, had emerged from hiding, then detained without further incident. With immediate response, the entire shift had flooded the area to set up a search perimeter, all by the direction of Sergeant Connolly.

Officer Toldeo and Officer Morrell both transported the two Juveniles to headquarters to wait for their parents to arrive from Waterbury.

The FILE 1 Kia was located/secured and towed to headquarters to further assist Wolcott PD with their investigation.

A short time later calls were received by LCD that a young male, dressed in dark clothing was observed to be walking south on Route 8 (southbound lanes) by exit 43. Units responded to that area and located the male, being the third suspect (Juvenile), he was then placed in to custody and transported to headquarters by Officer Dos Santos.
