RE: Conservation Commission Appointment

Dear Mayor and Council Members,

I am submitting this memo to request the appointment of **Erin Stelma**, to the **Conservation Commission**. She has a bachelor's degree from Central Connecticut State University and an M.B.A from Fairfield University and is currently a stay-at-home mom working on the family farm.

Ms. Stelma would fill an existing vacant seat for a partial term to expire 9/4/2025 and is a registered independent. I fully support and request her appointment to the Conservation Commission

We also currently have vacancies on Land Use Boards and Commissions and are actively looking for volunteers:

Zoning Board of Appeals - two (2) alternate member vacancies

Inland Wetlands Commission – one (1) regular member vacancy

Conservation Commission – one (1) regular member and two (2) alternate member vacancies

I would encourage anyone that is interested to contact the land use office for information on the duties and responsibilities of these boards and commissions, and we would welcome speaking to potential volunteers.

We appreciate your continued support.

Sincerely,

Nate Nardi-Cyrus, Assistant City Planner
