RE: BID #DZL-028-022222 DIESEL FUEL BID FY 22-23

Two (2) bids were received for the purchase of 54,200 (+/-5%) gallons of Diesel Fuel for the FY 2022/2023.

East River Energy
Guilford, CT

\$2.7398 + .003142 taxes = \$2.7429 per gallon
\$148,665.18 estimated annual cost

Dime Oil Company
Waterbury, CT

\$2.7916 + .003142 taxes = \$2.7947 per gallon
\$151,472.74 estimated annual cost

The city requested updated pricing for this commodity. Since fuel prices change daily and cannot be held firm due to the volatile energy market, I am requesting authorization to waive the technicalities and to enter into a contract with East River Energy if tomorrow morning's price is no greater than 10% over the bid price.

Thank you for your consideration on this matter.

Re: Diesel Bid DZL-028-022222

Dear Ms. Zucco:

Please find enclosed East River Energy's offer, based on your requirements, as stated in your bid specifications.

East River Energy has been a Connecticut Corporation since 1984. We have been a full-service supplier of petroleum products throughout the Northeast for over 30 years, and our company has always met or exceeded contract requirements. During the past quarter of a century, East River Energy has delivered over a billion gallons of fuel to our clients in the ever-expanding areas we service. We are the major supplier to the State of Connecticut for unleaded gasoline, heating oil, ultra-low sulfur diesel fuel and B20 bio diesel fuel. We supply the majority of the municipalities in Connecticut, as well as an array of privately and publicly owned companies and municipalities in Vermont, Massachusetts, New Jersey, New York, Pennsylvania, New Hampshire, Rhode Island, Maryland, Maine, Florida, Ohio and Georgia. In addition, East River Energy has been a long-standing supplier to the Department of Defense and the United States Postal Service.

East River Energy has built our business client by client and has developed long lasting valued relationships. Our clients depend on us to supply the highest-quality fuel products and provide the personal services that they have come to expect and deserve. East River Energy is a provider you can count on and trust. We are able to provide any petroleum product that is available in any market in a timely manner and at very competitive prices. Our operations department accomplishes on time deliveries and is extremely customer oriented. We have our own fleet and strategic alliances with truckers wherever we market our products. We know how important on time, clean deliveries are to our clients and to that end, our safety department works with our truckers and our customers to ensure satisfaction on every delivery.

East River Energy is committed to complying with all laws that prohibit discrimination in employment on the basis of any legally protected status. Further, the company is an affirmative action employer and promotes the hiring and advancement of employees who are qualified females, minorities, individuals with disabilities and veterans in accordance with applicable state and federal laws and the company's affirmative action plan, as well as the utilization of minority subcontractors in conducting its business. The Company further does not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, disability status, veteran status, sexual orientation, gender identity/expression or any other legally protected status. In addition, East River Energy has the capacity to provide a performance bond, on any and all business, if required.

Thank you for the opportunity of quoting on your most valued business. Please feel free to contact me, should you have any questions.

Sincerely,

Donald M. Herzog
CEO
