Mayor Elinor Carbone  
Members of the City Council

### **RE: (2) CUSTOM 28 YARD SEALED TUB CONTAINERS FOR SLUDGE HAULING**

The request was made to waive the City's bid process and purchase two (2) additional custom built 28-yard roll-off sealed containers for Sludge Hauling for WPCA through Bucks Fabricating/A Deist Industries Co. The original containers were part of bid #HMS-030-031121, Hauling and Disposal of Dewatered Municipal Sewage Sludge and awarded to Veolia that hired Bucks Fabricating to build the first three roll-off containers. The estimated cost for the additional containers is \$26,000.00.

I respectfully recommend that City Council accept the recommendation of WPCA Administrator Edward Tousey 3<sup>rd</sup> and myself to authorize the Mayor to award the purchase of two (2) additional roll-off containers through Bucks Fabricating and to have the Mayor act on the behalf of the City regarding the execution of the contract and its administration.

Thank you for your consideration on this matter.

Pennie Zucco  
Purchasing Agent

Unloading Equipm...		Your containers will arrive stacked on a semi-trailer not a roll-off truck. Unloading equipment will be needed to remove the units from a semi-trailer once order is delivered.		
Liability Disclaimer		Bucks Fabricating does not assume any responsibility and will not be held liable for issues that arise due to incorrect truck/hooklift information provided to us. This includes, but is not limited to, incorrect stops type and location, bodies not being within manufacturer recommended lengths, interference with taillights, toolboxes, fenders, etc. Please verify that all information provided is correct and accurate prior to submitting order.		

This Quote is valid for 3 days from Quote Date.

All Orders are subject to Deist Terms and Conditions OS-100. See attached.

The product prices listed herein are based on current steel prices, if there is a 3% or greater shift in steel prices before this order is produced, we will notify you of any applicable changes in the costs of these products.

By providing your signature of approval, you are agreeing the container and/or containers will be manufactured as described and no additional modifications or changes will be made to the order once the signature of approval is received.

By providing your signature of approval above, you are acknowledging that the delivery address is correct and accurate. If the delivery location changes at the time of shipment or if the customer redirects a carrier to a destination which is more than 5 miles from the original delivery destination, additional delivery charges will apply.

**Date:** 11/15/2021

**Re:** Payment Authorization

- 
1. Vote by the City Council herein acting as the Water Pollution Control Authority to approve a request of the WPCA Administrator to purchase two additional roll off dumpsters as sole source purchase from "Buck's Fabricating A Deist Industries Company". Buck's Fabricating made the roll off containers that we have on site and were hired through Veolia whom was rewarded RFP # HMS-030-031221 which included suppling the custom roll off containers. I recommend in order to keep the custom containers the same with our current ones I'm requesting Buck's Fabricating is hired for this work.
