**QUESTIONS 1/30/2023**

2/8/23 - addendum received + reviewed - Joe Beckerman  
2/8/23

**Q1) Are the products going to be part of this bid, or are they on a separate bid, or are they going to be purchased by the licensed applicator?**

**A1) It is the intent that the bidder will supply all labor and materials to complete seeding and fertilizing.**

**Q2) I would like to receive a copy of the bid responses from your last bid, particularly the winning response.**

**A2) see attached**

**Q3) Another question for the bid - the use of Replenish is required. I assume that is referring to an organic fertilizer. Is the City of Torrington open to an equivalent substitute product?**

**A3) YES**

**Q4) Is this a all or nothing bid? Will there be one bid awarded for all the services or will you just take the lowest for each individual service?**

**A4) The City intends to use the same bidder for all work on athletic fields.**

**Q5) Will all the parks be awarded to the same bidder or will they be broken up to different bidders?**

**A5) The City intends to use the same bidder for all work on athletic fields.**

**Q6) What was the method of measurement used to get the parks SQFT on the bid?**

**A6) An approximate schedule of field sizes is included in the bid specification.**

**Q7) As I review the program outlined in the bid I want to clarify the City of Torrington's requirements:**

- Four (4) rounds of fertilization: early spring, spring, summer and fall - **Yes.**
- Pre-emergent weed control applied in the early spring along with fertilizer and Replenish organic fertilizer - **Pre-emergent will be applied in the early spring. Fertilizer and Replenish will be applied in the spring.**
- Pre-emergent weed control applied in the early spring along with fertilizer and Replenish organic fertilizer - **Pre-emergent will be applied in the early spring. Fertilizer and Replenish will be applied in the spring.**
- One (1) application of broadleaf weed control in the spring - **The bid form is for one application. However, if the City sees the need for a second application, we will request another application per the bid rates.**
- Grub control in the spring - **It could be spring or summer the bid form included one application.**
- Slice seeding in the spring (after pre-emergent has been applied) - **The bid form includes one Slice seeding treatment. It is generally done in the spring or the fall. The actual application will be at the discretion of the City.**
- Core aeration in the fall - **The bid form includes one Core aeration treatment. It is generally done in the spring or the fall. The actual application will be at the discretion of the City.**
