To: City Council  
Purchasing Agent Penne Zucco

The Torrington Fire Department is contractually obligated to purchase uniforms and clothing for our personnel. Due to the circumstances over the last year and with the passing of Deputy Chief Pepler our current contract for clothing with New England Uniform has expired. They have agreed to honor the terms and conditions of the expired contract for one month from 1/1/18 to 2/1/18. We have our order prepared to be submitted. As Chief, I am asking for approval from the City Council so that we can purchase our current years clothing under these terms. We will be putting all of our clothing out for bid for fiscal year 18/19.

Respectfully,
