Map Effective Date April 28, 2021 (discussion draft 1/2/2024)
Map by City of Torrington Engineering Dept 3/5/2021 (updated to 1/2/2024)

"Wetlands Soils classifications are approximations of possible wetlands soils and are not to be used as official site mapping. Field surveys by a CT Licensed Soil Scientist may be required under CT State Law and local regulations to determine actual wetlands boundaries."

Surveyed Wetlands

Wetlands from Surveys

Wetland Soils

Alluvial and floodplain soils

Poorly drained and very poorly drained soils

Poorly drained soils

Very poorly drained soils

Rivers, Streams

Upland Review Area

0 0.25 0.5 1 Miles
