QUESTIONS/ANSWERS OCTOBER 11, 2017

Q1) What would be the anticipated start date for this project?

A1) Time is of the essence – ASAP once the selected contractor chosen and award presented to City Council for approval

Q2) It was presented at the walk thru that the concrete would be disposed of as Non-Regulated, concrete debris. Do you have analytical to show that the concrete is non-regulated?

A2) There is no contemporary waste characterization analytical data for the concrete pile. The selected contractor will be responsible for testing the concrete to facilitate proper profiling prior to off-site recycling/disposal.
