1. Call To Order:

9:04 AM.: Meeting at 2904 Winsted Road, property of Fragale and Sons Paving

Chairman Bate noted that there was not a quorum of four commission members. J. Leifert stated that no decisions or motions would be made at the site walk, so the walk could still go on.

2. New Business:

- a. Site Walk for Application WC 20-07-02, proposal to fill intermittent watercourse and associated wetlands to extend culvert pipe approximately 100 feet for adjacent property access

The commission was guided through the site around the proposed pipe extension area by B. Colby, and he pointed out the wetlands boundary flags that were placed by George Malia, soil scientist. He also described the approximate locations of the areas of proposed filling for the pipe extension on the site.

No further discussions occurred on site.

4. Adjournment:

The meeting was adjourned at 9:13 am
