Subject: AJ Resources Equipment list

Good Morning, here is an equipment list to be used for earth excavation at Winsted Rd site. This list reflects equipment to be used at any given time, not necessarily all at the same time.

Excavation equipment including, but not limited to;

- Excavators
- Loaders
- Bulldozers
- Off Highway trucks

Forestry equipment including:

- Skidders
- Chippers
- Bunchers

Crushing equipment including:

- Crushers
- Screeners
- Conveyors

Blasting equipment including:

- Drills
- Mats
- Seismic monitors

Thanks, Dave Curtis
