

CITY OF TORRINGTON

INLAND WETLAND PERMIT APPLICATION

Application fee: (See Fee Schedule) \$ _____

This is an application for permission to conduct a regulated activity affecting an inland wetlands, watercourse or an upland regulated area in accordance with section 22a-36 to 45 inclusive, of the General Statutes as amended, and the administrative Inland Wetland Regulations of the City of Torrington, as amended.

- Location of Property: CTDOT Bridge No. 05059; Bogue Road over the Naugatuck River
Tax Assessor's Number(s): Map n.a. Block n.a. Lot n.a.
- Applicant's Name: City of Torrington, Paul Kundzins, P.E.
Applicant's Address: 140 Main Street, Torrington, CT 06790
Day Phone Number: 860.489.2235 Fax Number: 860.489.2250
Applicant's e-mail: Paul_Kundzins@TorringtonCT.org
- Applicant's Interest in property: Agent
(i.e.: owner, agent, developer, architect, etc.)

- Owner's Name: City of Torrington
Owner's Address: 140 Main Street, Torrington, CT 06790
Day Phone Number: 860.489.2235
(If more than one owner attach list to application.)

- Proposed Regulated Activities: In support of the rehabilitation of Bogue Road Bridge, the temporary placement of ground supported shoring towers, erected in conformance with USACE Stream Crossing Best Management Practices is required. The shoring towers will be removed from the site immediately upon completion of bridge repairs.

- Nature and Purpose of Project: Bridge rehabilitation project

- Total Property Acreage: Not Applicable Total Acreage of Development: Not Applicable

- Total Acreage of Wetlands on Site: 0.85 Acres
Total Acreage Altered: 0.00 Acres

- Total Acreage of Open Water Body on Site: 0.00 Acres
Total Acreage Altered: 0.00 Acres

- Total Linear Feet of Watercourses on Site: 50.0 Lf
Total Linear Feet Altered: 0.00 Lf

- Total of Buffer/Upland Review Area Altered: 0.00 Acres

- Total Area of Wetlands and/or Watercourses Restored, Enhanced or Created: (Circle One)
0.00 Acres

Note: The property is the continuous parcel of land containing the Naugatuck River, the total acreage of wetlands on site and total linear feet of watercourses listed on this application are only those quantities directly under and immediately adjacent to the bridge structure and are not the total quantities for the entire property which runs through the entirety of the municipality.

13. Were there prudent and feasible alternatives to the proposed wetland, watercourse and upland review area alterations? Yes _____ No X
 If 'Yes', what were they? _____
 If 'No', why not? The bridge itself is located within a wetland area, the bridge rehabilitation requires that the girders be temporarily raised slightly in order to install required steel repairs. The selection of temporary shoring towers to accomplish this work is the only available means and methods for this type of repair.
Attach list if necessary
14. Is this property within 500 feet of a town line? Yes X No _____
 If 'Yes', the applicant must notify the adjacent municipal wetlands agency by certified mail, return receipt requested, on the same day of filing this application with the Torrington Inland Wetlands Commission Office. Documentation of this notice shall be provided to the Commission.
15. Does any portion of this proposed project fall within a Public Watershed Protection Zone (R-WP)? Yes _____ No X
 If 'Yes' applicant must notify the Water Company by certified mail, return receipt requested on the same day of filing this application with the Torrington Inland Wetlands Commission Office. Documentation of this notice shall be provided to the Commission.
16. Does any portion of this property contain a conservation or preservation land restriction on it? Yes _____ No X
 If 'Yes' applicant must notify the holder of the land restriction regarding the application by certified mail, return receipt requested, no later than 60 days prior to filing of the application. In lieu of such notice, the applicant may submit a letter from the holder of such restriction (or their agent) verifying that the application is in compliance with the terms of the restriction.

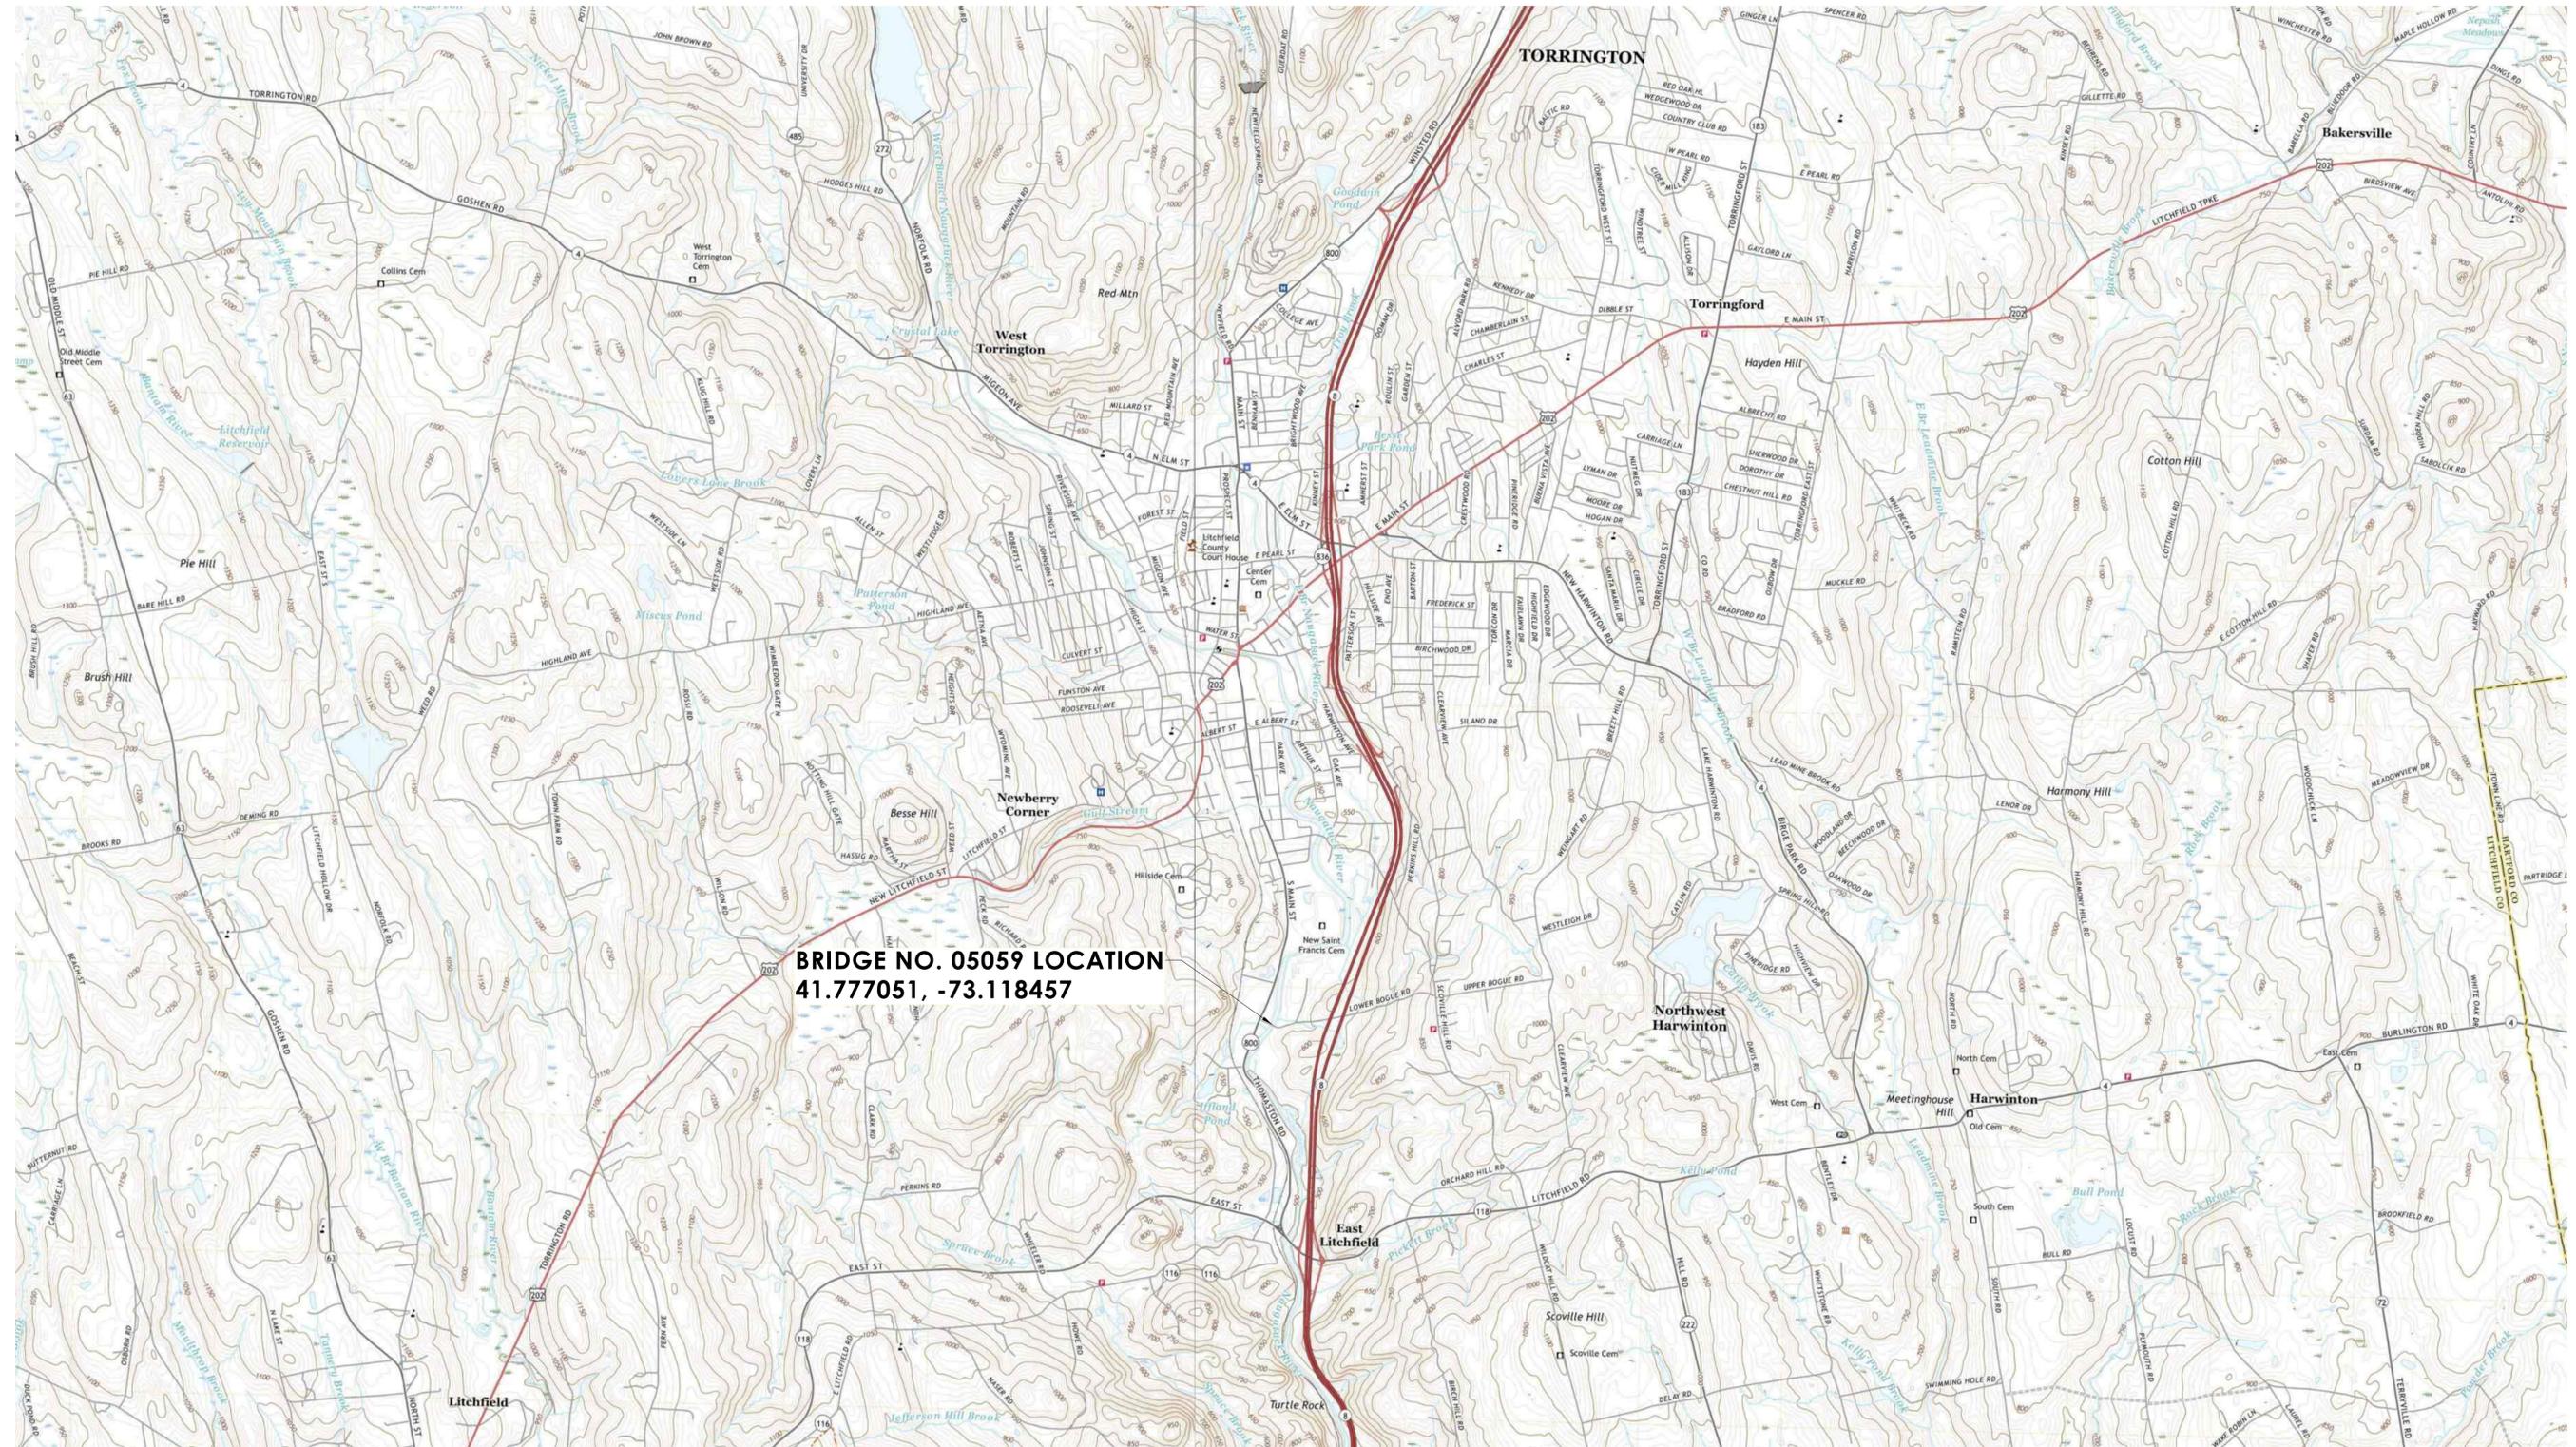

The undersigned owners of the subject property (if not applicant), being all owners of record of said property, hereby authorize the undersigned applicant to make this application as their agent, and hereby consents to all activities described in said application.

The undersigned owners of the subject property, hereby consents to necessary and proper inspections of said property by members of the Torrington Inland Wetlands Commission and/or agents of the Commission at reasonable times both before and after a final decision has been issued by the Commission.

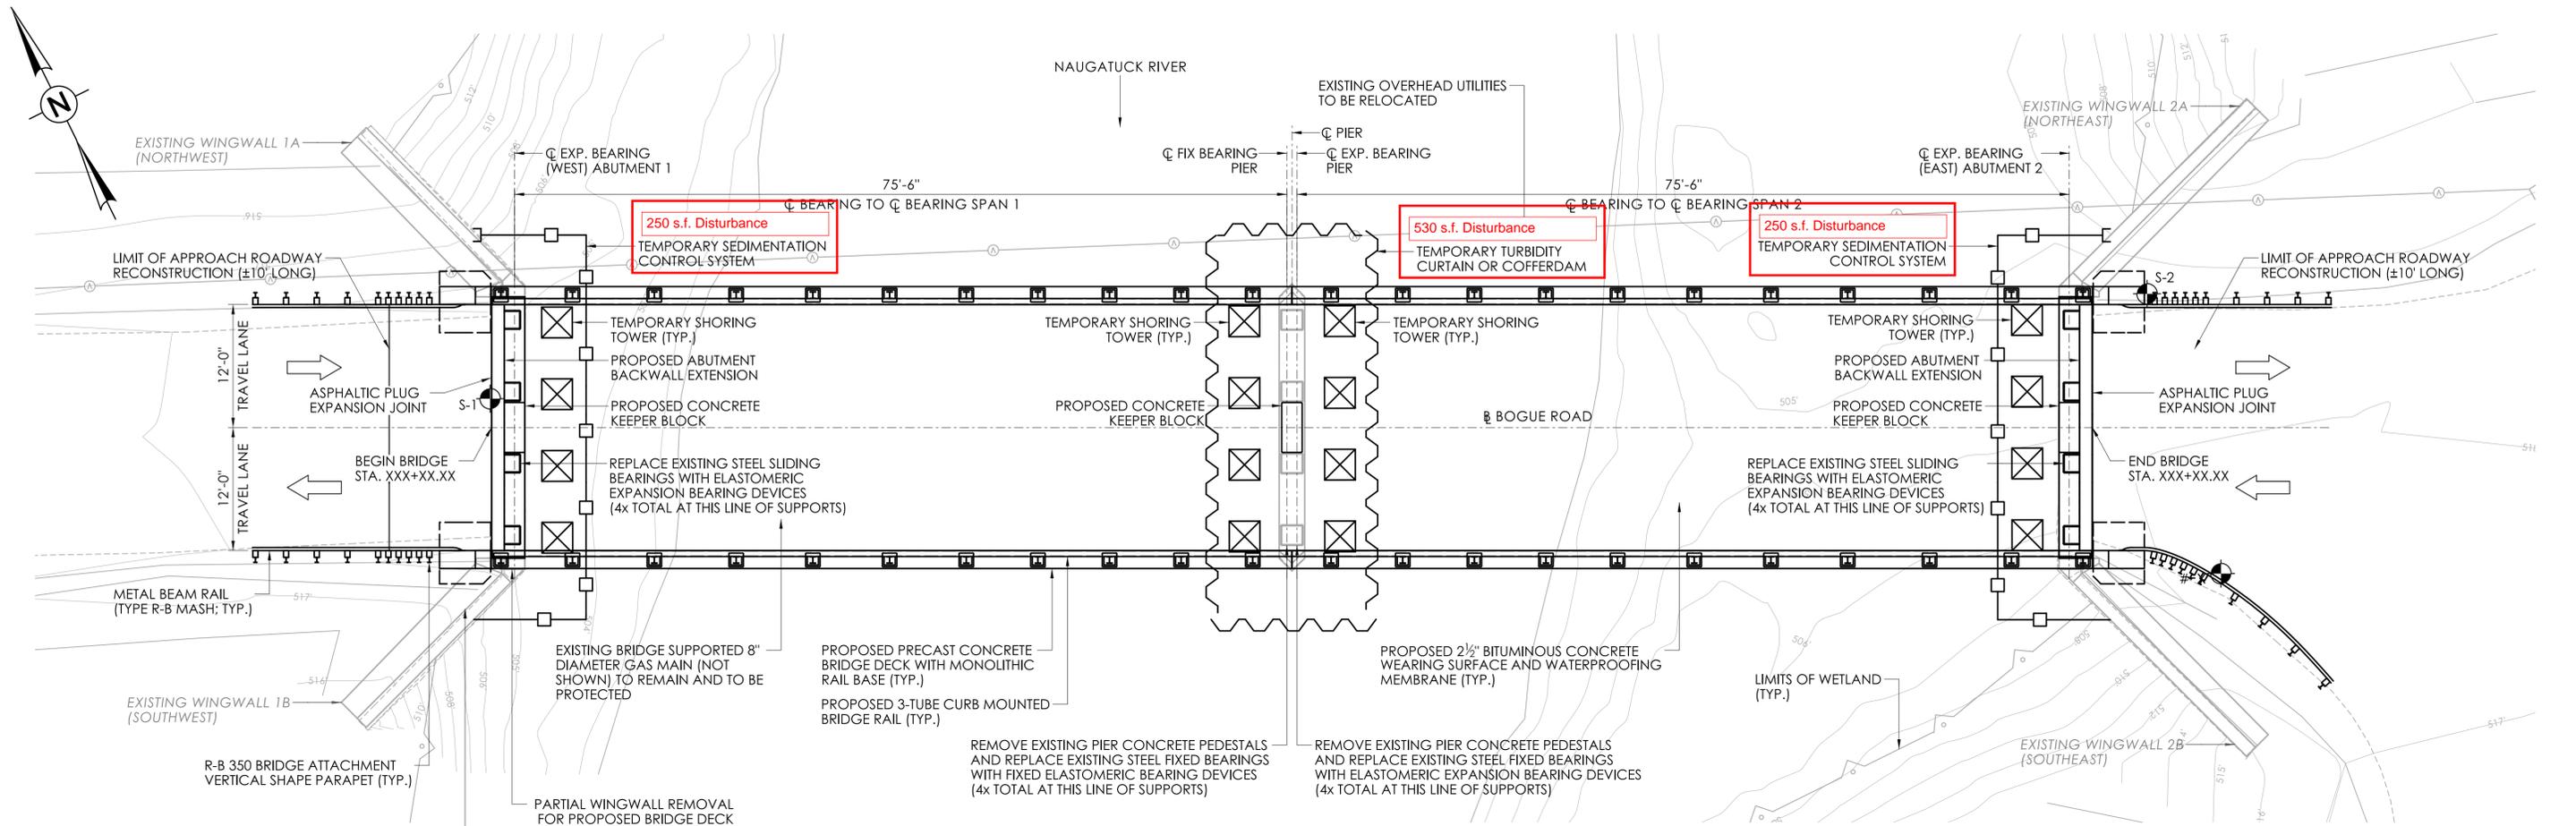

The undersigned applicant and owners of the subject property hereby warrant the truth of all statements contained herein and in all supporting documents, according to their best knowledge, information and belief.

Note to Wetlands Commission Reviewers:

The bridge rehabilitation project includes repairs to the ends of the steel girders which requires the installation of temporary shoring towers to support the girders while repairs are installed. Upon completion of the girder repairs, the temporary shoring towers will be immediately dismantled and removed from the project site and the area will be restored to its original condition (if disturbed by the installation). The temporary shoring towers will be in place for approximately 2 to 3 weeks.
