RE: 850 South Main Street – Restoration Plan – Mining and Grading  
N/F Iffland Parcel

Dear Mr. Connor:

Enclosed please find the following with respect to the above-referenced special exception and site plan applications:

1. The Special Exception and Site Plan Application forms, with attachments, including a complaint log as required under Condition 6 of the original approval, along with combined permit fee of three-hundred forty-five dollars (\$210 + \$135, respectively);
2. Eight (8) copies of a Topographic Survey prepared by Milone & MacBroom dated June 5, 2020;
3. Eight (8) copies of the site plan (4 sheets) entitled, “Restoration Plan 850 South Main Street Property O & G Industries Vista Drive & South Main Street Torrington, Connecticut”, prepared by Milone & MacBroom dated April 13, 2018 Revised through June 16, 2020; and
4. Eight (8) copies of the “Stormwater Management Narrative” dated June 15, 2020, prepared by Milone & MacBroom.

Please note that the Inlands Wetlands Permit Number WC 18-05-02 for this site, which was granted on May 15, 2018, is valid through May 15, 2023.

I can be available at the Commission’s online regular meeting on June 24, 2020, if necessary, to review the application and determine the scheduled hearing date. If you have any questions ahead of that time, please contact me at your earliest convenience.

Respectfully Submitted,  
**O & G Industries, Inc.**
