Re: 3222 & 3226 Tarringford Street
Torrington, CT

Dear Chairman Bate,

George Noujaim has filed Inland Wetland Applications for his two adjoining properties located at #3222 & #3226 Tarringford Street for a driveway crossing through a wetland area on his property. Technically, the wetland crossing spans both properties because the driveway is a shared driveway, centered on the property line between both lots.

This letter is a request to waive the Inland Wetland Application Fee for #3226 Tarringford Street because although the two lots are affected, the crossing is single, shared crossing that could not be avoided or remedied by locating it on one lot or the other.

Sincerely,
Hrica Associates LLC

Kenneth S. Hrica PE,LS
