## PRESS RELEASE

### City South Reconstruction Notice of Public Informational Meeting

The City of Torrington is developing plans to reconstruct various roads in the south end of town. The project will be comprised of road reconstruction, including paving, new curbing, replacement of sidewalks and associated miscellaneous work, which will provide for safer vehicular, pedestrian and bicycle travel. The project is financed with City bonded funds.

It is anticipated that construction will begin in the summer of 2022. It is the City of Torrington's and the State's policy to keep persons informed and involved when such projects are undertaken. It is important that the community share its concerns to assist in the project's development.

**You are invited to attend a virtual internet informational meeting held remotely by ZOOM online meeting platform on Wednesday, April 27 at 6:30 PM. (Not at City Hall building)**
