

CONNECTICUT PAINTCARE SITES AS OF 8/29/2018

Below is a list of PaintCare drop-off sites in **Litchfield** County Connecticut.

Paint is accepted during regular business hours. Call ahead for hours and to make sure the store can accept the amount and type of paint you would like to recycle. These sites accept latex and oil-based house paint, stains and varnish in containers up to 5 gallons in size. The sites do not accept aerosols (spray paint or other spray products), containers without original labels, or containers that are leaking or empty. If you have paint that is completely dried out (rock hard) you can put it in your regular trash or take it to a drop off site.

Please note that transfer stations typically have eligibility restrictions that only allow the town residents to use their facility. Please contact the site for details.
