

64 Gallon Cart

The 64-gallon cart is designed for residences that produce two 32-gallon cans of trash or less per week. This is the medium size cart. If a residence produces more trash than will fit into two 32-gallon cans per week then this cart will be too small. Second 64-gallon carts are not available.

Description	Size – Length	Size – Width	Size – Height	Load Rating	Wheel Diameter
